

CANDIDATE INFORMATION

FORM 2009-2010

_____	_____	_____
Surname	Given name	Application No.
Date of birth : _____	Sex : F <input type="radio"/> M <input type="radio"/>	_____
Year / Month / Day		PIN

ADDRESS

Mailing address	Permanent address
Number and street _____	Number and street _____
City _____	City _____
Province/State _____	Province/State _____
Country _____	Country _____
Postal code _____	Postal code _____
Administrative region _____	Administrative region _____
Telephone _____	Telephone _____
Office _____ Extension _____	
E-mail _____	E-mail _____

ADMISSIBILITY

Place of birth		
City : _____	Province : _____	Country : _____
Status		
Country of citizenship : _____	Permanent resident : Yes <input type="radio"/> No <input type="radio"/>	
Foreign student Yes <input type="radio"/> No <input type="radio"/>	Date status was granted : _____	year / month / day

TITLE OF RESEARCH PROJECT

If necessary, the proposed title may be modified at a later date.

TYPE APPLICATION

Please indicate the application type.

Individual : applications where the candidate and his director have not required the help of one of the organizations listed on the Web.

Group : applications which were made with the help of one of the organizations listed on the Web and for which a recommendation letter must be provided by the organization (Organizations : <http://www.fqmnt.gouv.qc.ca/en/partenariatsInnovation/partenariats/offresBMP.htm>).

Individual Group

MASTER'S OR DOCTORAL PROGRAM FOR THIS APPLICATION

Proposed degree program :	_____		
Discipline :	_____		
Specialization (where applicable) :	_____		
Department :	_____		
University :	_____		
City :	_____		
Country :	_____		
Date of first registration in master's or doctoral program for which you are requesting funding :	_____	Proposed effective date of award :	_____
	Year / Month	Expected date of program completion :	_____
		(The academic program completion date is used to determine the length of scholarship period)	_____
			Year / Month
Institution of origin :	_____		

RESEARCH DIRECTOR

_____	_____		
	Last name	First name	
Address	_____		Sex : F <input type="radio"/> M <input type="radio"/>

City	_____		
Province/State	_____		
Country	_____	Postal code	_____
Telephone	_____	E-mail	_____

INDUSTRY SUPERVISOR

_____	_____		
	Last name	First name	
Function	_____		Sex : F <input type="radio"/> M <input type="radio"/>
Company or organization	_____		
Catégorie d'entreprise	_____		
Address	_____		

City	_____		
Province/State	_____		
Country	_____	Postal code	_____
Administrative region	_____		
Telephone	_____	E-mail	_____

RESEARCH SECTOR/AREA/OBJECTIVES AND AREA OF APPLICATION

A) In order of priority, list your application's main research areas.

_____ Natural sciences and engineering

_____ Fine arts

_____ Humanities and social sciences

_____ Health sciences

B) Which area of research supported by the Fonds Nature et Technologies (FQRNT) applies to your application?

C) Which subareas of research supported by the Fonds Nature et Technologies (FQRNT) applies to your application?

D) In order of importance, list your application's research objectives (two maximum).

1.

2.

E) Which field(s) of application match(es) the research activities described in your application (two maximum)?

1.

2.

F) List six keywords that best describe your application's research activities, from the most general to the most specific.

CLASSIFICATION OF PROPOSED PROJECT (NSERC classification)

Proposed area of study or research

Research subject code

ACADEMIC BACKGROUND**University**

List all university studies, completed and not completed, as well as current studies where applicable. The information will be sorted automatically, beginning with the most recent, when the application is entered.

Degree	Discipline	Institution	Date of registration in program (year/month)	Date degree awarded or expected (year/month)	Cumulative average

Scholarships and awards

List previous scholarships and awards.

Granting organization	Competitive scholarship or award? (Yes or no)	Amount awarded	Start date or date awarded (year/month)	End date (year/month)

RESEARCH AND INNOVATION INTERESTS AND JUSTIFICATION FOR INDUSTRY SCHOLARSHIP APPLICATION

Describe your research interests and the science or engineering skills you have acquired. Explain your choice of university, research director and Industry host.

FOR INFORMATION ONLY

No appendices will be accepted

RESEARCH SKILLS, RESEARCH AND INNOVATION EXPERIENCE, KEYS CONTRIBUTIONS TO RESEARCH**a) Publications**

List by category, starting with the most recent, (1) refereed publications such as articles published in journals with review committees, published books or chapters of published books, contributions to collective works, including (2) oral communications or posters, (3) patents and copyrights, and (4) technological transfer activities. Where applicable, also mention conference reports and proceedings. Do not include articles which you are currently working on, or in which your name does not appear as an author. Use an asterisk to indicate refereed publications.

b) Participation in research projects and training periods

Describe your participation in research projects and training periods in your past studies. Identify project directors and training periods; give the start and end dates of the activity. You may also indicate any relevant experience that could contribute to your successful completion of proposed program.

c) Key contributions

From the contributions to research and development listed, select a maximum of three that you deem most important. Explain the importance of this work in terms of your area of research.

d) Other relevant information

Mention all information relevant to the evaluation of your application and specify, where applicable, the circumstances that may have delayed your studies: work, part-time studies, sick leave, maternity leave, etc.

FOR INFORMATION ONLY

No appendices will be accepted

RESEARCH SKILLS, RESEARCH AND INNOVATION EXPERIENCE, KEYS CONTRIBUTIONS TO RESEARCH
(cont.)

FOR INFORMATION ONLY

NO APPENDICES WILL BE ACCEPTED.

RESEARCH SKILLS, RESEARCH AND INNOVATION EXPERIENCE, KEYS CONTRIBUTIONS TO RESEARCH
(cont. and end)

FOR INFORMATION ONLY

NO APPENDICES WILL BE ACCEPTED.

SUMMARY OF PROPOSED RESEARCH

Using plain language, write a summary that could be understood by someone who has knowledge of the discipline but is not an expert in your specific area of research.

Clearly describe your research project, explaining, in order: a) the problem, b) the objectives, c) the experimental or theoretical approach as well as the methodology, d) the importance of the proposed research to one or more areas of science or engineering, e) the relevance of the project to the industry host, and f) a bibliography or documentation relevant to the proposal.

FOR INFORMATION ONLY

NO APPENDICES WILL BE ACCEPTED.

SUMMARY OF PROPOSED RESEARCH (cont. and end)

FOR INFORMATION ONLY

PRESENTATION OF INDUSTRY HOST AND WORK PLAN

Explain how your project will allow you to benefit from working with the proposed industry host.

Joined file : A file can be attached to this section.

Describe its facilities, research staff, location, etc. Provide an accurate breakdown of your SCHEDULE that includes periods when you will be at the industry site. Students are to spend most of their research time at the industry site. Your work with the company may include fieldwork or time spent with an industrial partner.

FOR INFORMATION ONLY

CONFLICT OF INTEREST

The candidate must state whether or not a real or perceived conflict of interest with the company exists in the context of the research proposal. Is there a conflict of interest? Yes No

If yes, please describe.

COMMITMENT

I hereby agree that any scholarship awarded to me as a result of this application will subject to the general conditions governing the scholarships described in the rules for the Joint FQRNT-NSERC Industrial Innovation Scholarships Program. I hereby certify that all the information provided is accurate and complete, and I will immediately report any changes to the information provided.

I agree

I do not agree

CONSENT

The candidate hereby authorizes and provides his/her consent to FQRNT and NSERC to communicate with each other and, if applicable, to communicate with any of the candidate's stakeholder home institutions to share any information relating to the performance of the above activities, in accordance with provincial legislation (Access legislation) and regulations, and sets out rules for the management of personal information by NSERC that is posted to its Web site (Access to Information Act and the Privacy Act).

I agree

I do not agree

REQUIRED DOCUMENTATION

To ensure that your application is eligible, include all documents listed below (check off each item). Please return the list with all the documents.

Required documents

- The "Avis de dépôt" (transmission notice, available for printing only after the form has been sent electronically).
- For permanent residents, a copy of Canadian immigration papers (form IMM 1000 or IMM 5292), or a photocopy of both sides of a Permanent Resident Card certified by a person legally authorized to authenticate such documents.
- For foreign students, a copy of their study permit, certified by a person legally authorized to authenticate such documents.
- For Canadian citizens born outside Canada, a certified copy of proof of Canadian citizenship, certified by a person legally authorized to authenticate such documents.
- A copy of transcripts for all your university studies, whether or not completed (certificate, diploma, Bachelor's, Master's, Doctorate, etc.). These transcripts must be signed by an authorized university representative and bear the seal (or stamp) of the university or department. Official transcripts are also accepted.
- The Director's section was sent electronically.
- The industry supervisor's section.
- A copy of the agreement between the candidate, the university and the industry host.
- The University recommendation in regard to the evaluation criteria.
- A partner's recommendation letter only, for the group application.
- The application form for the training supplement (if sent with the application).

Submission of required documents

IIS program candidates must submit the required documents to the Office of the Dean of Graduate Research Studies at the university where the master's or doctoral program that is the subject of this application is to take place.

Have you moved ? Please update your address by writing to the FQRNT at the address indicated in the program rules.
