The Fonds Nature et Technologies Scholarships Programs

If you are studying or conducting research in the natural sciences, mathematics or engineering field, you can count on the Fonds Nature et Technologies scholarships programs.

By stimulating students' interest in research and providing the best candidates with financial support in order to begin or pursue their Master's program, Doctoral program or Postdoctoral training, the Fonds Nature et Technologies Excellence Scholarships will help you take your future into your own hands and reach beyond your limits!

Our Scholarships Programs
